PURCHASING & INVOICING

All prices incl. VAT; EU businesses outside Germany with a valid VAT ID pay net (reverse charge). Event Pass and Events plan are available by invoice with a purchase-order (PO) number. A “collection window” is how long an event accepts new letters. Sealed letters travel up to one year into the future — regardless of the collection window. During the beta phase use is free of charge; the prices above apply from launch. Price sheet valid until revoked.
